	MINUTES **Members Council – meeting 32** Monday 23rd of March 2026
Who was in the meeting? **Jamie, Paul and Rob (Allana was going to join online, but couldn't make it)**	
Where was the meeting? **In the office at Belle Vue rd**	
Theme for the Year	We discussed what we could set as our theme this year. Paul suggested scams which was a great suggestion. Other members talked and suggested health. Members settled on Mental and Physical health. It is important to discuss both aspects of health, make people aware and talk more about this (be it physical or mental health) to ensure people know how to get checked and get help when they need it. It's especially important for people with learning disabilities.
Members council	We chatted about members and their involvement in Members council. Rebecca couldn't join. Justina and Rebecca have a meeting in April to discuss how to better bridge Board and Members council. We talked about how to involve more members into our council. Rob, Jamie and Paul will try to talk with some members they know and invite them to a meeting.
	Members council would like to participate at Leeds Pride and Leeds Learning disabilities pride. We talked that we could do banners for this. Will discuss this closer to date on our next session.
	Justina asked for feedback about Members guide. Showed previous guide to members. Feedback was that it looked nice, but was a bit confusing. Wanted to include more information about members council and what we do. Overall feedback was to update it to be more current.

Next Meeting dates	The next people's parliament is on **Tuesday 28th of April 2026** Members decided to do next Council Meeting on **Monday 25th of May 2026**

Actions: Justina to review and amend if needed a flyer, so members could pass that on to others to invite to join Members council
