Meeting with Elissa	Elissa joined us for this meeting to discuss the Members' feedback survey results. Results were really good this year, and members and councillors agreed that there were a lot of improvements. Members were very glad to see Elissa and that the survey results were shared with them.
Filming video about scams	We filmed a video with the script that was written by other members at the last meeting. Paul and Rob were very good on camera and said they were happy this will be shared with others.
	We talked about the AGM and how we will do a short presentation at our next meeting to share there.
Next Meeting dates	Couldn't decide on the next meeting as members are on holidays. They will get back to Justina to confirm.
