Where was the meeting? **In the office at Belle Vue rd**	
Discussions	We talked about what members council could do to spread the awareness of scams. We watched a few videos on it, to get a bit more familiar with the topic. Jamie and Allana suggested we do a video that we could share on SM. We sat together and came up with a few topics and then wrote the script for the next meeting. Jamie suggested that most scams come from calls and texts. We looked up what the most common scams are, and she was right. We write the script, members were happy when we shared it online for other coucelors.
AGM	Shared the details about AGM. Rebecca, one of the trustees asked if members council can create something for AGM to share what we have done this year. Allana and Jamie had these on their list: -Shared information about the most common scams with other members. Helped other members recognise it and not fall for it. -Members council been talking with other members all year about mental health and that they are here to support if needed. Members

	council also have learned about how to be healthy in mind and body so they could share with others. -Members council have attended every People's parliament meeting. Had their voices heard and stayed visible and represented People Matters well.
	Allana and Jamie won't be in the next meeting due to personal reasons. They are happy for the other councelors to do the video as they did the script.
