**Photos for Happy place-project**

Members council is partnering with the Wellbeing groups to create an art piece. This will be donated to another organisation.

Members will take photos in a place that makes them happy, or when they are doing an activity that they enjoy. The photos will go on a big frame that members will paint. The photos can inspire other people to try new activities that can help them to feel happier.

Johanna has received photos of 2 members' happy place – will ask other members to send their photos in.
